

**CONSULTATION ON COLD ASTON, SWELL AND LONGBOROUGH C OF E PRIMARY SCHOOLS
WITHIN THE NORTH COTSWOLD SCHOOLS FEDERATION MAT (NCSF MAT)
ACADEMIC YEAR 2025/2026**

The School Admissions Code 2021 requires all admission authorities to consult upon their admission arrangements if changes are to be made or if there are no changes, at least once every 7 years.

The NCSF Trust is the admission authority for all the schools within the Trust. We are required to consult on our admission arrangements every 7 years. The schools above last consulted upon their admission arrangements in 2016, therefore we are now due a full consultation.

Cold Aston, Swell and Longborough Primary Schools currently have the oversubscription criteria give priority in the following order:

1. A 'looked after child' or a child who was previously looked after but immediately after being looked after became subject to an adoption, child arrangements order or special guardianship order (1) including those who appear to the admission authority to have been in state care outside of England and ceased to be in state care as a result of being adopted.
2. Children who will have siblings attending the school at the time the applicant child is admitted.
3. Children with the strongest geographical claim, measured in a straight line from the Ordnance Survey address point of the child's home address (including flats) to the Ordnance Survey address point of the school, using the Local Authority's computerised measuring system, with those living closer to the school receiving the higher priority.

We will not be making any changes to these admission arrangements for the the academic year 2025-2026 therefore the priority for admission to Swell, Cold Aston and Longborough will remain the same as above.

If you have any comments to make, please do so by emailing the contact for the consultation Anna Mason (actingexecutivehead@ncsf.school)
